BOTAŞ PETROLEUM PIPELINE COMPANY

19.01.2022

PRESS STATEMENT

The explosion and the fire that broke out as a result of the explosion at the 511th kilometer of the Iraq-Turkey Crude Oil Pipeline on January 18, 2022, are completely extinguished and the cooling works are completed.

All necessary precautions have been taken by BOTAŞ teams and the oil flow has been restarted as of 11:00 a.m. today.

We respectfully submit to the public.
