***PRESS STATEMENT***

The explosion and the fire that broke out as a result of the explosion at the 511th kilometer of the Iraq-Turkey Crude Oil Pipeline on January 18, 2022, in the Narlı Neighborhood of the Pazarcık district of Kahramanmaraş province were completely extinguished thanks to the works of all related teams including BOTAŞ Emergency Response Teams, Kahramanmaraş Metropolitan Municipality, Gaziantep Metropolitan Municipality, Kahramanmaraş Forestry Directorate fire brigades and security units, and the cooling works were completed.

All necessary precautions have been taken by BOTAŞ teams and the oil flow has been resumed.

We respectfully submit to the public.
